Dear Josh:

Jerry and I are planning on closing the laboratory during August. We would like very much to spend a few days in your laboratory if that is possible for us to stay in Madison August 14th, 15th and 16th.

We are then going up to our summer cottage near Rhinelander. If you and Esther would like to come along we can provide transportation and accommodations. We will return the 20th and can bring you back at that time. I am writing the Park Hotel for reservations.

With best regards to both of you, I am

Sincerely yours,

Carl C. Lindegren, Chairman
Department of Microbiology
